

**TEACH  
FOR  
CANADA**

# **VOLUNTEER MENTOR OPPORTUNITY**

**Application Deadline: Friday April 29th, 2016**

**Teach For Canada is seeking experienced, strengths-based educators to provide professional mentorship as teachers engage their students in the north.**

## **Our approach**

Teach For Canada is a nonprofit organization that works with northern First Nations communities to recruit, prepare and support committed teachers.

We recruit teachers from across the country, provide community-focused summer training, and support them to ensure that they succeed—and stay—in the classroom.

## **Who you are**

- A certified teacher with at least 5 years experience full-time equivalent teaching
- Have taught diverse populations and are comfortable mentoring a teacher using current educational pedagogy
- A lifelong learner with a spirit for reciprocal learning
- Preference will be given to applicants who have spent time in a northern, remote community and/or worked with Indigenous students

## **The basics**

- Mentors should have availability in the evenings and on weekends in order to work around teachers' schedules. We ask for a commitment of 2 hours per month, although each mentor-mentee match will develop their own unique schedule.
- This is a minimum one school year position (September 2016 to June 2017), with the possibility to continue if both parties agree
- The majority of communication will take place over telephone, Skype calls, email, or other forms of remote communication

## **Application process**

To ensure a mutual fit, mentor-mentee matching will be done based on the needs of Teach For Canada's 2016 Cohort, which is subject to change.

Apply online at [www.teachforcanada.ca/en/application/2016-mentorship-application](http://www.teachforcanada.ca/en/application/2016-mentorship-application).
