Session Types

WHOLE GROUP

These sessions are an opportunity for the entire 2020 Teach For Canada (TFC) Teacher Cohort to learn together. They will be webinar style presentations led by incredible presenters with opportunities for Q&A.

★ = We encourage you to invite loved ones over the age of 18 who will be moving North with you and/or those who will be deeply affected by your move (i.e. dependents or partners) to attend these sessions with you.

★★ = Due to the sensitive nature of the topic, we encourage you to invite anyone over the age of 18 who will be moving North with you to attend these sessions with you.

★★★ = These sessions will be opened to the wider TFC community including TFC Alumni and other organizations with a focus on First Nations education. Media may attend these sessions.

INDEPENDENT LEARNING

Take these modules at your own pace! We have left ample time to complete them during the allotted time but if you prefer to work in the early morning or evening, or have other commitments, these modules are flexible.

SMALL GROUP BREAKOUTS

This is where the 2020 TFC Teacher Cohort peer connections can grow! We will assign breakout groups daily and TFC staff will be present to help guide the discussion.

ALSO...

Sharing our Gifts

Join Elders, knowledge keepers and language speakers as they share their gifts with you.
